

"The quality of the new Orora Crystal® glass is world standard and we are extremely pleased with the final bottle"

- Copper & Grain Distilling Co.

Orora Crystal® is what Australia's finest distillers have been waiting for

Made in Australia, Orora Crystal® is manufactured from the highest quality raw materials to create exceptional quality glass with superior clarity and optical purity.

Bottle your Australian-made spirit in Australian-made glass!

We are also pleased to present the Orora ORO-GIN Spirit bottle, which has been developed using Orora Crystal®.

With a classic shape and elegant finish, the 700mL ORO-GIN Spirit Bottle is available with either a screw cap or cork finish to suit all spirits and liqueurs.

" As an Australian Single Malt Whisky, we are extremely proud to be working with a fellow Australian partner and supporting local manufacturing. The development of the final bottle was a truly collaborative process and the local Orora team have been extremely supportive along the way. The quality of the new Orora Crystal® glass is world standard and we are extremely pleased with the final bottle" – Copper & Grain Distilling Co.
